BRIEF ABSTRACT OF LETTER

he must have been more than 25 years old
It is not stated whether Govt sanction
was obtained for the appt. It is
unlikely that a man who is 23 years
old will give his ~~date~~ age as 26 years
without looking into the horoscope.

4 Here are several points which can
not be satisfactorily explained in
this case ~~According to~~ the entries in the Service
Register are as follows

(a) Date of birth 8-2-1874

(b) Age (apparently at time of entry into
Service) — 22 years

(c) Date of Entry into Service. 15-3-1900

Either (a) or (b) must be wrong

Again, the date of birth given ~~for~~
Insurance is 11-6-1877, and the School
master explains that this is correct according
to his horoscope, and that he had merely
~~pressed the date~~ given the different date
at the time of entering Service by a guess
This appears to be hardly credible

It is a point for consideration whether
any further inquiry is necessary, such as

This discrepancy was quite apparent & ought to have been noticed when the Service Regr was opened.
